Mumbai have been given so far since commissioning of Dolphin service in February, 2001.

(c) Does not arise.

(d) The following steps are being taken to further improve the system:

1. Network optimization is being carried out to further improve the coverage.
2. Project activities for provisioning of Cellular service in adjoining towns of Delhi viz. Faridabad, Ghaziabad, Gurgaon, Noida and adjoining towns of Mumbai viz. Kalyan are being expedited.
3. Roaming facilities are being extended to all the places within the country as well as abroad.
4. Adequate number of Franchisees have been engaged to market the service an enhance customer base.
5. Special promotional marketing schemes are being introduced from time to time to improve customer base.
6. Aggressive marketing and focused media campaign has been under taken to popularise the Dolphin brand and improve the customer base.

Outstanding dues of BSNL

1820. SHRI C.P. THIRUNAVUKKARASU: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether it is a fact that a large amount of Bharat Sanchar Nigam Limited is outstanding and to be received from the defaulters;

(b) if so, the names of the defaulters and the amount defaulted;

(c) whether any steps have been taken by the Government to recover the outstanding amount; and

(d) if so, the impact thereof?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI TAPAN SIKDAR): (a) Yes, Sir.

(b) The amount of its dues outstanding for over three months is Rs. 2223 crores as on 31.7.2001. This relates to lakhs of defaulters throughout the country, whose categorywise break-up is given below:

(Figures in crores of Rupees)

Break up of over three months old dues				
State	Central	Defence	Private	Total
165	46	50	1962	2223

(c) Steps taken to recover the outstanding dues include disconnection of the services provided to the defaulters, adjustment of deposits available with Bharat Sanchar Nigam Limited and legal proceedings.

(d) As a result of the actions taken the amount outstanding has been contained at about two percent of the cumulative billing despite over 23% average annual growth in billing over the last four years.
